DECEMBER

From the director-

Ms. Tammy

As we enter the month of December, let us remember the reason for this glorious season. A time of joy as we celebrate the birth of Jesus. We will be learning all about the Christmas story.

On Sunday, December 5th is our first children's choir performance. If your child is participating, please be sure your child is dropped off in the classroom at 9:00am.

We do have a Christmas performance scheduled for all children on Thursday, December 9th @ 10:00am in the church. We hope you can make it.

Thank you for not bringing your child to school if they are not feeling well.

Communication at Harvest is especially important to us. I know those yellow notes home can be bothersome, and I am sure when you see the preschool number on your caller ID, your first thought is "oh great". I get it. I have three children of my own. PLEASE understand we are not picking on your child. Our goal is to work together to provide the best experience for all the children. If you have a concern or a question, please see your child's teacher of myself. If I am not in my office, you can send me an email or let one of the teachers know you need to talk with me, and they will get ahold of me, and I will contact you as soon as I can.

Thank you for believing in our school and our staff. Our school would not be what it is today without the continued support. GOD bless you all!

Wishing all of you a very Merry Christmas and a blessed New Year!

SCHOLASTIC BOOK CLUB

NO Book orders this month

If you ordered books, I apologize for the delay...the company has had shipping issues

A great way to build your child's library at home. You can view the flyer and order on line @ www.scholastic.com/bookclubs
enter class activation code GKKG7

Create a username and password and order away

December Themes

- The birth of Jesus
- Christmas

Bible Theme: Christmas story

Bible Verse:

"And the Angel said to them, Fear not, for behold, I bring you good news of great joy that will be for all the people"

Luke 2:10

December birthday wishes to...

Matthew W. - 3rd

Harlie T. - 24th

If you would like to bring in a special snack for your child to celebrate their birthday, you can but please be sure to check with a teacher before

Our preschool Classroom Miss Kassie

Hello everyone! I can't believe the Christmas season is already here. We have a fun-filled month ahead of us. We will begin learning about squares, stars, and diamonds. This month's concepts include buttons and zippers.

On December 9th, we will be having a Christmas performance in the church building at 9:00am. We have been practicing our Christmas songs every day. Your children are so excited to perform them for you!

On December 15th, we will have our Christmas party.

As a reminder, we will close at 12pm on December 23rd.

We will be closed December 24th-December 31st.

If you would like to donate any supplies this month, I need disinfectant wipes, disinfectant spray, and colorful dry erase markers. Your donations are greatly appreciated!

There are a few reminders this month. There is a lost and found basket on top of the nap cubby. It is getting full, so if you have the chance, please look through it to see if it contains any of your child's belongings. On Fridays, or the last day of the week that your child comes, please take their blankets and pillows home to be washed. We like to be sure that their blankets are germ free for the next week. Please make sure you are sending your children with extra clothes in case of accidents. Lastly, if you can, please bring a water bottle for your child with their name on it. Our water fountains are currently closed. We do have a water pitcher, but we encourage you to bring a water bottle. The children love to have their own water bottle that they can carry with them. If you have any questions, please feel free to reach out to me. I hope you all have a wonderful Christmas filled with love, smiles, and laughter.

Our pre-K classroom - Miss Becca & Mrs. Morgan

Merry Christmas and Happy December families!

We cannot believe that we are already in December. This school year is flying by so fast. The children are doing wonderful. They are growing by leaps and bounds. We love getting our daily hugs. It has been a true blessing to have them in our lives. We cannot thank you enough for sharing them with us.

We have a very fun and exciting month ahead of us. We will be focusing on the birth of Jesus. We will be learning all about the number K, number 11, the color green, and the shape star. We will also be learning about opposites and number order. We know the children will do great with these concepts.

With the weather getting colder, please make sure that your child is in the appropriate attire. Please also check their extra clothes. Accidents do happen and we want to make sure the children have the appropriate clothing to change into. We need a few supplies this month. We need Clorox wipes, Lysol spray, and tissues. Thank you for your generosity.

We all know how busy this month can be. Let us remember the reason for the season. As always, we have an open-door policy so if there is ever a question comment or concern do not hesitate to ask.

Have a safe and blessed month!

CHRISTMAS IS THE CELEBRATION OF THE BIRTH OF JESUS, THE SAVIOUR OF MANKIND

Our pre-K classroom - Mrs. Sarah

WOW! Boy did November fly by. Can you believe we are already in December? Christmas is right around the corner, and the children are so excited. November was so much fun! It was great to hear all the things that your child is thankful for.

During December, we will be focusing on the birth of Jesus and that he is the reason for the season. We will be learning the letter K, number 11, color green, and the shape star. The concepts we will be going over this month are number order and opposites. Your child will also continue working on writing his/her first name. Everyone is doing a super job completing the weekly homework. Keep it up!!

We have a lot of fun and exciting things planned this month. Please remember these dates:

December 9th - Christmas Program @10:00am

December 15th - Christmas Party

Remember that the weather outside has changed. Your child needs to have a warm jacket to wear during outside playtime. Please remember to put your child's name on any jacket or sweatshirt that they wear to school.

If your child takes a nap at school, please remember to take your child's blankets and pillow home to be washed on your child's last scheduled day of the week. Also please limit the number of stuff animals your child brings to school for nap time. Our cubbies can only hold so much.

Big Thank You to everyone who has brought in supplies for our classroom, it really is a big help! This month we need Clorox Wipes, white copy paper and Kleenex.

Show in tell has been going great. Please remember that the items your child places inside the letter bag need to correspond with the letter of the week. Make sure your child's name is written on their show in tell bag before it is placed into the show in tell box. If you forget please ask a teacher for a pen.

If you ever have any question, please don't hesitate to ask. Thank you for sharing your child with me.

Merry Christmas and Happy New Year!!!!
