## NOVEMBER 2020

### A note from Ms. Tammy....

Welcome the month of November. This month we celebrate my favorite holiday, Thanksgiving. It is a time to gather all together and give thanks to God. We acknowledge that our whole life and everything in it is a gift from God. Through our words and actions, we give thanks to the Lord for all he has provided in the last year.

*Rejoice always, pray continually, give thanks in all circumstances for this is GOD's will for you in Christ Jesus"*  
1 Thessalonians 5:16-18

With the weather getting colder, please be sure your child has a sweater or jacket to wear outside. Also, please be sure to have an extra change of clothes in your child's cubby. Accidents do happen. When there are no clothes in your child's cubby, we must call you to bring some clothes in and your child will have to sit and wait in wet clothes.

We do understand that mornings at home can be a little chaotic and sometimes toys are a good way to get your child out the door and in the car. Reminder that if toys from home are brought, they will need to stay either in the car or in your child's cubby. If the toy becomes a distraction, it will be brought down to my office until you pick up your child.

We are not responsible for lost items so PLEASE be sure to label all belongings.

We will be celebrating Thanksgiving on Thursday, November 19th with a lunch for the children. A sign-up sheet will be posted for donations for our lunch.

Our school would not be a success without your help. Together we make a great team in providing the best experience for your child  
GOD's blessings to you all!

### SCHOLASTIC BOOK CLUB

A great way to build your child's library at home  
You can view the flyer and order online –  
just go to

[www.scholastic.com/bookclubs](http://www.scholastic.com/bookclubs)

enter class activation code GKKG7

Create a username and password and order  
away

You can also place your order with your child's  
teacher

No cash – Checks payable to Scholastic

**Due by November 6th**

### NOVEMBER BIRTHDAY WISHES TO...

Eli G. – 15<sup>th</sup>  
Luca L. – 18<sup>th</sup>

If you would like to bring in a  
special snack for your child to  
celebrate their birthday, you  
can but please be sure to  
check with a teacher before

### What are YOU Thankful For?

## From Miss Savannah

### Our preschool class

Hello all! I am excited to continue working with your children as we enter November! This month we will be learning about fruits and vegetables, honoring our armed forces, giving thanks, and practicing being a good friend as we cover a different theme each week.

During the first week of November, we will be reviewing the letters and colors we have introduced so far. During the following weeks your child will be learning the letters F, G, and H. Along with that, they will be learning the colors black, white, and pink. We will continue working on identifying and writing our names! Last month, I sent home your child's name to practice tracing and hope they continue working on them at home.

The classroom is in need a few supplies: Clorox wipes, Lysol,

Elmer's glue, and anything else you like to donate. If you can donate any of these, it would be greatly appreciated.

A few dates to remember are:

November 5- Armed forces stars are due

November 13- Wear black and white

November 17- Wear pink

November 19- Thanksgiving feast

Thank you for letting me teach and love your children! I continue to pray that your children grow with me this year!

## From Miss Becca, Ms. Morgan & Mrs. Sarah

### Our pre-k classes

We cannot believe it is already November, time is just flying by! Christmas is right around the corner.

This month we will be focusing on numbers 9 thru 11, colors yellow and brown, and letters I, J, and K. The classroom concepts that we will be focusing on this month are rhyming, patterning, and think and thin.

We will also spend time talking about all the things we are thankful for.

Make sure you keep an eye on our classroom parent board for upcoming events and special days.

We are so proud of your child and how hard they are working on their writing skills. Please help and encourage your child to write daily at home. The more practice your child has, the better your child's writing will become.

We need a few supplies this month such as baby wipes, glue sticks, and shaving cream.

Clorox wipes/disinfectant wipes and Lysol are always needed. We do our best to keep all those yucky germs away. All donations are greatly appreciated.

If you have any questions or concerns, please do not hesitate to ask. Thank you so much for sharing your child with us! They are such a blessing.
